

# Ventura County Special Districts Association

October/November 2019

Offering quality of life services through direct representation

## President's Message by Thom Slosson

Calleguas Municipal Water District is pleased to host the October membership meeting at the Grandsen Pump Station in Moorpark.

The pump station allows for storage and subsequent production of imported water in and from the Las Posas Groundwater Basin. This facility helps ensure water supply reliability for the Calleguas service area during water supply outages, droughts, and emergencies.

Construction of the entire pump station occurred over two phases. Phase 1, completed in early 2009, allowed delivery of water produced from the Basin to Calleguas' lower pressure zones. Phase 2, recently completed in May 2019, now provides Calleguas the ability to deliver water from the Las Posas Wellfield to all of its customers.

Due to the location of the pump station on Spring Road, **please be cautious when entering and leaving the site.** Calleguas staff will be available to assist with directing traffic.

## October Meeting

### **Anthony Goff**

General Manager - Calleguas MWD

Please join us to learn...

- *About Calleguas MWD and its role in water supply reliability.*
- *The importance of the Las Posas Basin Aquifer Storage and Recovery Project and its connection to the Grandsen Pump Station.*
- *How the Grandsen Pump Station also generates hydropower.*

**When:** Tuesday, October 1, 2019  
Registration 5:30 pm, dinner 5:45 pm

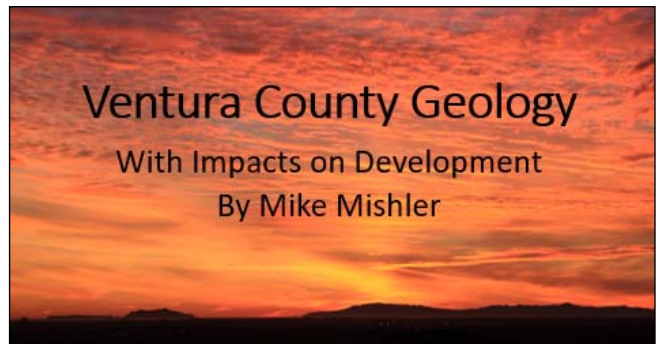

**Where:** Calleguas MWD Grandsen Pump Station - 4764 Spring Rd., Moorpark

**Who:** RSVP to Kara Wade at [kwade@calleguas.com](mailto:kwade@calleguas.com)

\$20/person payable by check or cash at the door or mailed to:
